## Confirmation of compliance EN 71-3:2019

The European Standard EN 71-3:2019, Specification for migration of certain elements employed in the production of toys, implements the European Union Directive 2009/48/EC from the European Council about Safety of Toys.

This is to certify that our coatings and families of products listed hereafter fulfil the European Standard

### EN71-3:2019

And can be employed without restriction for the production of toys.
